***Allowable Subject Matter***

Claims 1-17, 30-40, and 46-47 are allowed.

The following is an examiner's statement of reasons for allowance:

Claim 1 recites, "comparing the set of computer system features and the performance results with capability rating requirements, wherein the capability rating requirements comprise a required set of features and required performance criteria; and determining a capability rating for the computer system based on the comparing". This feature, in combination with remaining claimed structure, overcomes the prior art of record.

Claim 30 recites, "comparing the set of computer hardware component features and the performance results with capability rating requirements; and determining a capability rating for the computer hardware component based on the comparing". This feature, in combination with remaining claimed structure, overcomes the prior art of record.

Claim 46 recites, "means for comparing the set of computer system features and the performance results with capability rating level requirements; and means for determining a capability rating level for the computer system based on the comparing". This feature, in combination with remaining claimed structure, overcomes the prior art of record.

Claim 47 recites, "means for comparing the set of computer hardware component features and the performance results with capability rating level requirements; and means for determining a capability rating level for the computer hardware component

based on the comparing". This feature, in combination with remaining claimed structure, overcomes the prior art of record.

U.S. Patent 6,487,522 determines computer inventory of installed components, but does not test performance.

"EA's Westwood Studios Teams with NVIDIA and Madonion.com" discloses scanning attributes, but does not disclose testing performance to determine if a computer meets minimum requirements.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
